# OVERVIEW

## Cedar Gate App

- ◆ Events, RSVP, and payment from any phone.
- ◆ Clay scoring, with the live board in the clubhouse.
- ◆ Every member's profile and history, in their pocket.

## Office CRM

- ◆ Members, renewals, leads, and bookings in one place.
- ◆ Invites, reminders, and gate codes send themselves.
- ◆ An assistant that runs your day when you ask.

## Assessment

We start with a 1-hour meeting to brainstorm key development opportunities. Then our team maps every feature and automation for both apps, builds clickable mockups for you to approve, and we lock a fixed scope and price.

# PRICING

## PLANNING & ASSESSMENT

# \$5,000

---

- ◆ Every feature and automation, mapped
  - ◆ Clickable mockups of both apps
  - ◆ Integration plan for core softwares and partners
  - ◆ A locked scope and a fixed build price
- 

Let me know if everything sounds good, and I'll  
send over the invoice to get started!
